Grease Spunky

I set off in my car at 7am, an early start, but I had a long way to go – and a sex party at the other end! My friend had won the use of a country cottage for a week and had organised a series of sex parties. I had missed one already and was eager to get down there!

I thought it would be a good idea to drive down dressed in my sexy PVC skirt, ready for action. My fanny was tingling like mad and I rubbed it every time I stopped at traffic lights. Once I got on the motorway I was even randier, lifting my skirt for the lorry drivers, pulling my top down and flashing my tits for them. They rewarded me with a parp from their horns and by the time I came off the motorway my fanny was soaking and ready for a good seeing-to.

I had travelled a few miles down a country road when the engine overheated and the car died on me. I called my breakdown company and as I was a woman on my own they promised a vehicle within half an hour. I was still feeling horny and sat in the car with my fingers buried in my cunt. I was so engrossed in playing with myself that I did not see the breakdown truck arrive.

Just as I was cumming the mechanic tapped on the window. I was too far gone to stop myself and had to finish what I started, my legs spread wide apart, with three fingers deep in my twat and my other hand rubbing my clit. I came hard then got out of the car.

The bulge in the mechanic's trousers looked very inviting. I told the mechanic that something had overheated.

"I know," he said, with a shy smile, putting his hand on my arse. I rubbed myself against his hand and his three fingers managed to find their way up my very wet hole. The juices from my cunt were streaming down my legs. They were so hot it felt like I was pissing myself.

With his other hand, the mechanic pulled down my top and started caressing my tits. Then he clamped his mouth on one of my nipples and I came all over his hand.

I WAS SOON CUMMING, AND AS MY JUICES ENVELOPED HIS COCK, HE CAME TOO.

With his other hand, the mechanic pulled down my top and started caressing my tits. Then he clamped his mouth on one of my nipples and I came all over his hand.

I unzipped his trousers and got his cock out. It was gigantic – one of those that you just have to spread your legs and say "Fuck me" when you see it.

I crouched down and took the monster in my mouth. I sucked it till it was hard as one of the spanners in his truck. I opened my legs and told him to stick it in.

He put both hands on my tits to steady himself and banged away. I was soon cumming again, and as my juices enveloped his cock, he came too. His spunk squirted hot and deep inside me and then dribbled down my legs.

He fixed the car and I got on my way, but not before I had thanked him by sucking his cock and swallowing his spunk.

When I finally got to the cottage I told my boyfriend what had happened. He spread my legs to see if I was telling the truth. I felt jizz running out and he licked my clit, which made me cum again. I missed a day of the sex party, but I had just as good a time on the road!

Dee, Lancs.

We all know that Paris is the city of romance, where even the hardest hearts can be melted by a combination of accordion music, nasty fags and vin rouge, but who knew that just having a picture of the Eiffel Tower in the room would do the trick just as well?

"Its not the Eiffel Tower that's getting me all horny!" grins Roxee. "It's Kacie here! Mind you, I wouldn't mind a little weekend away with her in Paris, if you're offering…"

Yes please!" chips in Kacie, "we could see all the sights!"

"The sight I've got right now is good enough for me!" adds Roxee, and it's hard to argue.

The Pudding Club

Last Xmas, my friend Leanne invited me and my hubby to her party. I love parties and pampered myself beforehand, soaking myself in the bath and shaving my pussy nice and smooth.

When we arrived, we found about ten other people already there.

After a few drinks, everyone loosened up nicely and a little horseplay broke out.

I found Leanne in the kitchen steaming her Christmas pudding, and couldn't resist giving her sexy bum a squeeze. She retaliated by pulling me close and kissing me full on the mouth.

I kissed her right back, snaking my tongue into her mouth as her fingers traced along the outline of my thong.

A couple of Leanne's friends walked in at that moment and caught us, but we just carried on while they watched.

After a while, one of them pulled off my sexy Christmas skirt and dropped to her knees in front of me.

My panties were now see-through and she eyed my pussy for a moment or two before sinking her face into it.

Leanne had my tits in her mouth and was sucking each nipple in turn, making my pussy drip even harder into her friend's mouth.

It was then that I noticed my husband. He was standing in the doorway stroking his cock.

He came at me quickly, turned me around and leaned me over the counter, then directed Leanne into my pussy from behind.

Leanne tongued my cunt nice and deep, as my husband fucked her from behind.

Leanne's other friend (I didn't know her name) was sucking my hubby's balls as he fucked Leanne, and beside us another couple were just getting it on.

The whole place smelt of sex.

After a while, Leanne told me to lay on the table and when I did, she dropped something on my pussy.

It was warm and wet and sticky, and I looked to see what it was and saw that it was her Christmas pudding.

She poured cream all over the pudding and all over my cunt and my husband started to eat it.

I was naked and writhing beneath my husband and Leanne's tongues.

I was so carried away, in fact, that I actually fell off the table.

My husband just laughed at me and started fucking me on the floor. He pushed my legs back over my belly and drove his hard cock in, as Leanne squatted over my face.

I tongued her seeping slot until she came all over my face, then my husband offered me his prick and came all over my mouth.

I cleaned myself up when I caught my breath, and sat in the chair holding my ankle. It was all swollen from where I'd fallen off the table and I wondered how I was going to explain it to the hospital.

Tracy, Essex.

LOUISA

These pictures of Louisa in her ancient Egyptian clobber could be used as an excuse to employ a load of lame puns, but that probably wouldn't be very mummy, would it? No, Nile make sure I stay well clear of that sort of thing and instead let's just asp the girl herself what it's all about...

"When I was little my parents had this big book about Egypt and I was fascinated by it all. I could sit there for hours looking at the pictures and learning all about the customs of the time. If I could time travel, I'd love to go back to the time of Ramses!"

Shell Be Cumming...

A lot of men may not admit it but they would love to see their wife be a total slut and watch them fuck another man.

It all started when Shelly admitted in the bedroom that the thought of me watching something like that turned her on.

So one Saturday night we plucked up enough courage to go to a swingers club in Manchester.

We arrived nervous but excited and soaked up the atmosphere for a bit, watching couples getting it on.

We saw a guy called Paul sitting on his own and looking at Shelly a lot. After a quick chat the conversation turned to sex and all three of us went into one of the rooms.

Inside we both got to work on Shelly and stripped her off.

We all got on the bed and started feeling her up. When I put my hand between her legs she was so excited she nearly came on the spot.

She wasted no time sucking me off and wanking Paul off with a free hand.

Then Paul got his cock sucked. With her arse in the air, I slipped my cock into her wet pussy and started banging away.

Shelly was like a girl possessed and was licking and sucking Paul's dick like there was no tomorrow.

I wanted to empty my cock in her pussy but she could tell I was about to cum and turned round to take my load in her mouth.

While she sucked my cock I looked at Paul and told him he had better put his cock up my wife. He wasted no time and eased up her. This was the first time Shelly had had another man's cock in four years of marriage and it pushed me over the edge, shooting cum down my slut of a wife's throat.

Paul started fucking her harder and faster, saying he was going to cum. Not wanting to waste his spunk, Shelly spun round just in time to drink his cum.

This was my first experience of seeing Shelly get fucked. The second came a few months after and really shocked me... but blew my mind.

My wife came home from work shy and looking like she had something to tell me. She put my hand down her knickers and I could feel she was all wet and spunky down there.

I slipped two fingers up there and told her to tell me what happened.

Apparently Neil, who she works with, had been flirting with her all day

and at the end of the day was alone with her in the stock room. He grabbed her and kissed her, feeling her tits, and got his cock out.

She told me she could not refuse as she was too horny after all that teasing so she sucked his cock.

THIS WAS THE FIRST TIME SHELLY HAD HAD ANOTHER MAN'S COCK IN FOUR YEARS OF MARRIAGE

Then my slut of a wife pulled down her knickers, bent over and pulled his rock hard cock into her juicy fanny. She reached back to play with his balls and brought them both to a shuddering climax.

All the way home she could feel his spunk dribbling into her knickers.

I wouldn't have believed it, except that I could taste another man's cum from licking Shelly out.

I couldn't lose my erection all night from the thought of my perfect wife turning into a total whore.

If anyone out there fancies having my wife as their little slut, please contact us because I'd love to watch you do it!

Dave, Manchester.

MASTER OF THE BALLS

Alice

It clearly doesn't take much to get Alice hot under the collar - she's only got to the inside cover of a book of Roman wall art and already she's sliding a hand inside her panties for a little fiddle!

"What, would you rather I just sat around looking at the book for an hour or so and just went home?" she asks. "I wouldn't mind, although your readers might not find it especially interesting!"

OK, that's a fair point – forget all about the wall paintings from Pompeii and carry on as you were. And just like Pompeii, we've got a feeling it won't be long before there's an eruption going off right here...

It's always nice when you pop round to a model's place and she answers the door in a skimpy teddy (cue ancient 'why's she got a door in her teddy?' joke!). So was she expecting us then?

"No, but I was hoping that someone might turn up. My boyfriend sometimes likes to knock off work early so he can come round, and I like to make sure I'm always ready, just in case he does!"

Ah, well seeing as he's not here, how about we do a quick photoshoot instead?

REAL WIFE SEX

Carrie loves dogging the limelight!

Steve's erection pushed against my groin as he teased my boobs...

Both my hubby Steve and I are swingers, and every year we take a holiday at a different British seaside resort. Well, this year when booking our B&B online we ran a search on the local swinging scene.

I am an ardent exhibitionist, which is the reason we got into swinging in the first place. We looked out a map of the area and circled all the spots used by the local doggers.

We took a day or two to get our bearings and relax, and once settled we decided to take the plunge. As dusk fell we drove the car to a deserted car park and drew up. We hadn't been there long before several other cars began to arrive, each vehicle parking a fair distance from the others.

The car park was in a rural area and fringed on three sides by shrubbery, and there were picnic tables spread about in little islands of grass, which had been planted with young trees.

It was on the side of a hill and during daylight hours we would have had stunning views of the local scenery. But by night it was a place of shadows, and apart from the few other parked vehicles it seemed to be deserted. Steve and I sat together holding hands and waiting for the action to begin. At first all we heard was a couple of doors banging shut as some of the occupants left their vehicles. I looked at Steve enquiringly and he explained that this was probably our audience getting into position to watch the show.

I was very turned-on by now, and laid my hand on the crotch of Steve's jeans. He was aroused and already hard and I eagerly began to rub his erection through the fabric, but Steve put his hand on mine to slow me down, pointing out that a couple of cars had turned their interior lights on. The action had begun!

The couples were clearly visible through the windows and windscreens of the vehicles and as the show got under way we could see figures moving closer to some of the cars and peering in the windows. It was a very erotic sight and my pussy began to moisten. Steve asked if I was ready and I nodded, so he switched on the car's interior lights, leaned over and pushed the seat lever which made the back of my seat drop. Then he slid his own seat right back so we'd have plenty of room to manoeuvre.

> Rubbing his fingers up and down my dripping slit, he fingered me, pulling my pussy open so that the watchers could feast their eyes.

We were well prepared and had come

dressed for the event. Steve whipped off his T-shirt and pulled off his jeans. I wriggled from my shorts and yanked my T-shirt over my head. I am only a "B" cup so I don't feel uncomfortable not wearing a bra.

My tits are pert and bouncy, and while not very big are still a good handful. Once free of his clothing Steve climbed on top of me, and, cupping each boob, squeezed the breast flesh, pushing my nipples into peaks. Then, leaning down, he nuzzled my neck and then kissed his way down towards my erect nipples.

From my prone positing I noticed movement in the shadows surrounding us, and my excitement heightened as I realised that at least one person, and perhaps even more, was watching us as we had sex.

Steve carefully positioned himself so that our audience could get a good look at my tits. He nipped and sucked on my teats, making them throb with pleasure, so I spread my legs as I became more and more aroused.

Steve's erection pushed against my groin as he teased my boobs, and I arched my back, trying to push my crotch against his cock and force him to enter me. But Steve had noticed that our audience had inched closer to the vehicle, and, intent on giving them a proper show, instead he hit the button that lowers the automatic windows.

Turning my naked body around, he positioned me on my elbows and knees, and spreading my arse-cheeks he held them apart so the audience got a front row view of my genitals. Rubbing his fingers up and down my dripping slit, he fingered me, pulling my pussy open so that the watchers could feast their eyes on my inner pinkness. Then he began to lick my pussy, simultaneously reaching around me to rub my clit. I was panting with need as he ate my pussy in the presence of strangers, pushing me over the edge until I began to come loudly.

As my orgasm peaked my pussy began to spasm and Steve withdrew his tongue and began to frig me rhythmically. His busy fingers sliding in and out of my pussy sent me careering from one orgasm to the next. As my love juices coated my inner thighs, Steve scooped them up and began rubbing them into my anal ring. I jumped a little at first, never having thought that Steve would attempt anal sex in public.

But I was in for a penny! Besides, I was totally charged from my multiple orgasms and began to relax and enjoy the sensation. Soon my ring was resting easy and I was loving being frigged in both openings. As I felt another series of orgasms approach, Steve mounted me from behind and began to fuck me anally. It was the most thrilling sensation ever, and when I finally glimpsed the appreciative faces of our audience, I climaxed harder than in all my life, with my Steve shooting inside me as I bucked on the seat.

It took us a while to recover, but once we had we headed back to our guesthouse and fucked all over again as we recalled the evening.

She may share a part of her name with our esteemed Prime Minister, but that's just about the only thing they've got in common, as far as I can tell.

"You're probably right! Only one of us surrounded by tossers who keep badgering her to get whatever it is they want, for starters!"

Well quite. Hang on though – is that meant to be you and us (honestly, we really do need this many people to come along for a shoot!), or are you talking about the cabinet…?

"My boyfriend's quite into photography, and I'm his favourite subject! A while ago I suggest that perhaps we could send some pictures into Escort for Readers Wives, but he reckoned he had all the kit required to shoot a proper set of pictures of me. I was a bit doubtful, but once he was all set up it was all very professional! Well, professional except that he kept putting his camera down, coming over, and licking my pussy! TEXT A HORNY MILF TODAY!

Some women just give you the horn. Lots of desperate older women who love sex, get frustrated when they're not getting enough cock. That might include the nurse who took your blood pressure or the cheeky cashier at your local supermarket. The one thing they have in common is you would love to shag the arse off all of 'em.

You might not get the chance to have a go on their bones but you can swap filthy pictures and tell them how much they give you the horn. You know she's gonna fucking love it.

We can hook you up with hundreds of filthy women but be warned, these women are looking for explicit text chat, not just swapping recipes and chats about Eastenders. If you love MILFS just go to: **www.lovemilfs.uk**

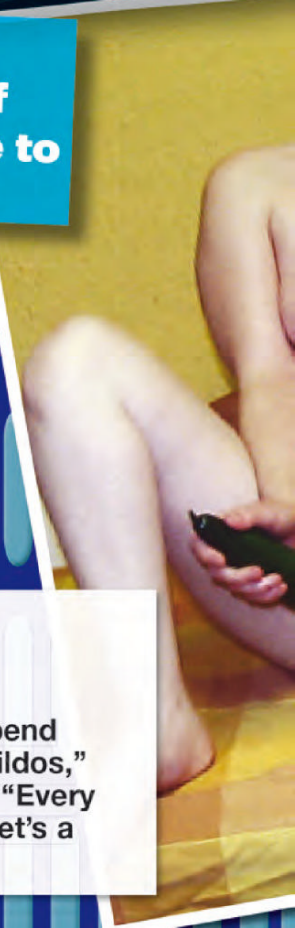
04. Sue
Chester
"This one gets me cumming by the bucketload!" says Sue (44). "But being in Escort's an even bigger buzz!"

MY FAVOURITE D

What woman wouldn't like to suck on warm, throbbing cock all day long? Unfortunately some of us blokes have to go to work. Here's what they like to get up to in our absence...

06. Kimmy
London
"Girls, if you've never had someone drinking fizz out of your pussy you haven't lived! It gets me popping my cork in no time!



07. Haley
Yorkshire
"You don't need to spend loads on expensive dildos," says the 26-year-old. "Every trip to the supermarket's a thrill this way!"

05. Tiff
Sussex

"This is the first vibe I ever got" says the randy model, "and we've been through a lot together! It's perfect buzzing on my clit, but also a nice fit when I want something up my bum!"

Brookie

Who can say what this year will bring – and whether it'll be welcome or not, but one thing that most definitely is welcome is the return of Brookie to the pages of Escort after a ridiculously long absence! Quite honestly we don't know what happened there – and how we managed to last so long without a glimpse of her stupendous boobs! The Surrey-born babe definitely deserves to feature a lot more regularly than that from now on, so with a bit of luck we'll be seeing plenty more of her this year!
